

## WOW Camping Email Message

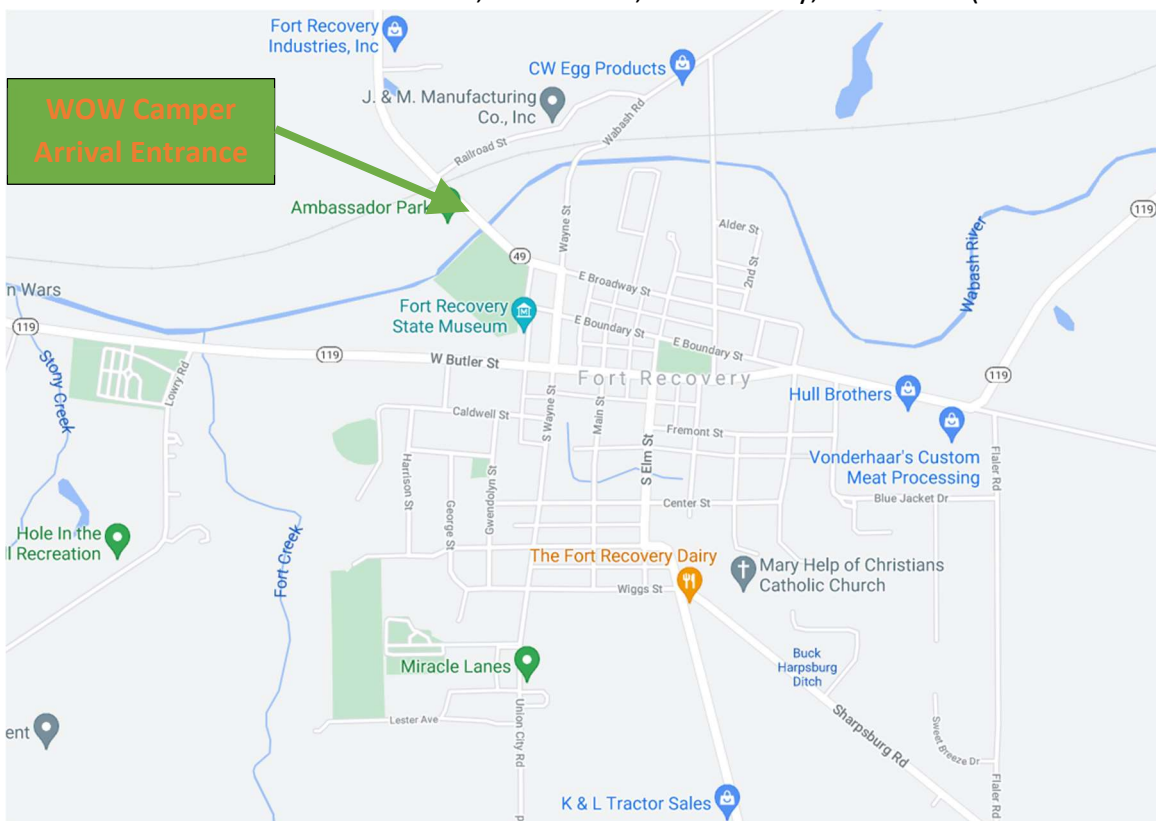

We are excited to welcome you to this year's 2021 Win on the Wabash Super Raffle Event (WOW) scheduled for August 27<sup>th</sup> and 28<sup>th</sup> at Ambassador Park in historic Ft. Recovery, OH.

If you have received this email, you have an email address for a registered campsite(s) for the event and we are looking forward to seeing you. If you need to update the email address, or if you no longer wish to retain your campsite, please respond back and let us know, as they are currently sold out with people wishing to get a spot.

We have been working closely with Ambassador Park (the home of the WOW) and are excited we have been able to make a number of improvements to the camping area including adding gravel to the driveways, leveling a large section of camping, and adding a large number of additional future electric sites. Unfortunately, we are at the mercy of mother nature and the grass that was planted in May will not be ready in time to allow camping on this new section for this year's event. An announcement on the availability to purchase these will come sometime later this year for the 2022 event.

**Below is important information that we ask you read closely to help prepare you for this year's event. We recommend printing this off and bringing it along as reference. Thanks!**

**Camper Arrival Location: Ambassador Park, 2205 SR 49, Ft. Recovery, OH 45846 (Entrance from SR 49)**

## Arrival Times for Campers

- Wednesday August 25<sup>th</sup> – 6:00 PM – 8:30 PM
- Thursday August 26<sup>th</sup> – 6:00 PM – 9:00 PM
- Friday August 27<sup>th</sup> – 9:00 AM – 10:00 AM
- Because of bridge weight limitations we have a limited window to allow for campers to arrive. If you do not arrive during these times you will not have an opportunity to camp on site. No exceptions and no refunds.

## Special Considerations

- In preparation for the event and because of bridge weight restrictions, campers will not be able to arrive after Friday August 27<sup>th</sup> at 10:00 AM or be removed before 6:00 AM on Sunday August 29<sup>th</sup>. No exceptions! Plan accordingly.
- We do not have any designated handicap camping sites available but will do everything we can within reason to accommodate. Contact us via Email at [camping@wowraffle.com](mailto:camping@wowraffle.com) of those requirements by August 14<sup>th</sup> to work out the details.
- When you arrive to park your camper, you will receive a Camping Permit/Parking Pass. After initial arrival date, only small trucks and cars can access the campsite via the bridge accessible from SR 119. You must have the Camping Permit/Parking Pass visibly displayed to access the campsite. This will be closely monitored so **don't forget your pass.**

## Camping Site Arrangements

- Electric Sites: With the improvements made to the electric campsites we will not have reserved spots this year. We will be directing you to a location and parking you as you arrive. Your arrival date and time does not necessarily mean you will get the closest spot to the event.
- Primitive Sites: No reserved spots for primitive camping. Because of the increased number of campers this year, we are expecting a full campground area. You will be assigned a space when you arrive and, in many cases, it may not be the next closest spot to the main event entrance.
- If you want to camp in a group, then everyone in the group must arrive at the same time. We will not be able to hold spots.
- All campers must park within marked site boundaries. This includes the vehicle pulling the camper. Overflow camper parking will be available for vehicles that won't fit inside the site boundaries.

## Camping Rules and Guidelines

- Check website for all official rules and updates. [www.wowraffle.com](http://www.wowraffle.com)
